### **TICKETS ON SALE NOW**

SAN JOSE, CA (September 9, 2020)—The **Winchester Mystery House** announced today that on **Saturday, September 12th**, visitors will once again be able to explore the 160-room mansion on a new **Self-Guided Mansion Tour**. The touchless, self-guided experience allows guests to independently navigate the world's most bizarre home and expansive estate. Tickets will be available today at [winchestermysteryhouse.com/buy-tickets](https://winchestermysteryhouse.com/buy-tickets) and also include access to the estate gardens.

Said **Walter Magnuson**, Winchester Mystery House General Manager: “We are so pleased to be able to once again reopen our doors - all 2,000 of them! We have been anxiously awaiting the opportunity to share this iconic attraction with the public, and the Self-Guided Mansion Tour will allow our visitors to explore the various rooms like never before. This experience leverages the house’s unique design elements and provides guests with ample time and space to engage with the estate’s history while remaining compliant with social distancing guidelines.”

Winchester Mystery House management and staff have worked extensively to prepare for reopening. The new self-guided tour has been designed to prioritize the safety of guests and staff and is compliant with all current county and state guidelines.

Tour Hosts will be positioned throughout the estate to assist guests as-needed, but the experience will be entirely self-guided with educational and engaging audio and signage. To ensure social distancing protocols can be followed, tour groups are restricted to members of the same household, tour capacity has been reduced to meet the state guidelines for indoor museums, and the tour route has been modified to focus on the largest rooms of the estate. Additional safety measures include mandatory masks for all guests and employees, timed

ticketing, a one-way linear tour path, and sanitization stations throughout the estate. For a complete list of health and safety guidelines, visit [winchestermysteryhouse.com/health-safety-guidelines](http://winchestermysteryhouse.com/health-safety-guidelines).
